**Keynote Speaker: Joe Gerstandt – Social Gravity: Harnessing the Natural Laws of Relationships. (1.0 CE credit hours)**

In this high-impact keynote presentation, Joe Gerstandt introduces the audience to the awesome power of Social Gravity. Audience will discover the science behind how and why relationships form between people and gain an understanding of the value that exists within these relationships called social capital. Whether you are a veterinarian or part of the veterinary staff, you don’t want to miss this powerful presentation on how to understand and utilize the real resources available to you through relationships with others.

An in-demand speaker across the country, Joe Gerstandt is the co-author of Social Gravity: Harnessing the Natural Laws of Relationships. Joe grew up on a family farm in Iowa, served in the US Marine Corps, attended Iowa State University, and spent 6 years working in management and business development. He lives in Omaha, Nebraska with his wife, two daughters, a son, a dog, and a guinea pig.

**KEYNOTE PRESENTATION SPONSORED BY LIVE OAK AND MERIAL.**

**Dinner will be provided. Space is limited.**
